

Good afternoon!

We are so excited to launch, CULINARY CONCEPTS , “a cocktail party for a cause.” On Friday, November 7th, 7-10 pm at The Second Chance Concept House, an 8,200 square foot estate- a seamless blend of reclaimed materials, custom design, and expert craftmanship.

CULINARY CONCEPTS, will be an elegant evening of cocktails, cuisine, and community in support of Starboard Society, a local nonprofit dedicated to uplifting those in need. This event is brought to you by *Ink + Numbers*, a local, professional networking company.

The cocktail event will feature curated bites, craft cocktails, and a vibrant atmosphere—
all for a great cause. Don’t miss this unforgettable night of flavor and philanthropy!
We expect about 100-125 guests and are looking for tasty cocktail food and cocktails to share. Your support will allow us to raise money and awareness for Starboard Society.

You will receive:
logo exposure on the invite and all social posts, a linked in announcement of your participation,
logo exposure at your table and signage, the guest list, and a lot of exposure to a large, influential crowd.

Thank you for your consideration!
